

Joint Council of  
Extension Professionals

---

#### Purposes of JCEP:

- To encourage communication and close working relationships among the member organizations, ECOP and CSREES-USDA.
- To provide liaison and a communication link to member organizations.
- To strengthen and support Extension as a profession.
- To coordinate and facilitate leadership training opportunities.

#### Goals of JCEP:

- Advocacy--For Extension and the Extension Professional.
- Professional Development and Capacity Building.
- Enhancing the image of Extension Professionals.
- Fund development.
- Improving JCEP business operations.
