Shipping needs to be shared, so here goes my thoughts:

- Cynthia/Bob will mail the marketing box to Cynthia or Debby for the NACDEP/ANREP meeting
 - At the end of the meeting, Cynthia or Debby will mail the box to Karen, Debby or Stacey for the NACAA meeting
 - Karen, Stacey, or Debby will ship the box to Diana or Lena for the NEAFCS meeting
 - At the end of the meeting, Diana or Lena will send to Karen or Patricia for the NAE4-HA meeting.
 - At the end of the NAE4-HA meeting, Karen or Patricia will take mail the box to get it to Cynthia or Lena for the ESP meeting.
 - At the end of the ESP meeting, Cynthia or Lena will mail the box to Patricia or Stacey for the NAEPSDP meeting.
 - At the end of that one, the box will be sent back to the JCEP office in Idaho to Bob for safe keeping! 😊
